Pamela joins ACCESS with over 27 years of nonprofit agency and hospital leadership experience, including multiple years in community-based organizations serving seniors and those in need. Born and raised in Pasadena California, Pamela moved to Oregon 12 years ago and has served at Central Oregon Council On Aging, Oregon Rural Healthcare Quality Network, and Fanconi Anemia Research Fund.

Her expertise is strongly rooted in mission-based servant leadership, strategic planning, marketing/communications and innovative and collaborative team leadership. She is a graduate of the University of Oregon (GO DUCKS) and has two children attending Western Oregon University.

When asked why she decided to take the position at ACCESS, Norr states, "The mission of the organization is something I am passionate about, but equally important, I was impressed by the strong team I met, the passion for the organization by the Board members and the amazing community support for those served. I am honored and excited about joining the team at ACCESS and look forward to working together in support of the mission."
