ACCESS Community Impact

42,425 people were served by ACCESS last year
33% of those warmed, fed or sheltered were children
22% of those we helped last year were seniors on fixed income
1,290 contacts were made with seniors by our Senior Navigator and through our Senior Companion Program
5,736 households kept warm in the winter months
4,364,001 pounds of food moved through our food warehouse
Thank you to our 1,154 loyal volunteers who donated 59,226 hours of their precious time to help our neighbors!  
59,226 hours = $1,479,785  
Value in donated labor helping ACCESS build community

ACCESS provides low-income residents, especially families with children, seniors and people with disabilities, with no-cost energy efficient upgrades to their homes. This includes installation of insulation, heating system repairs, air sealing and a variety of other measures.

Last year, the ACCESS Weatherization Program completed the following:

- Performed weatherization services on 95 homes, saving occupants an average of $360 annually.  
- Loaned 6,450 pieces of medical equipment at no direct cost to the community
- Total community savings equivalent to $1,090,010 in rental/purchase costs

ACCESS is an approved HUD Counseling Agency that promotes affordable, stable rental and homeownership opportunities. ACCESS manages or owns 202 units of affordable housing targeted to families, seniors and people with disabilities.

More than 1,249 individuals were helped with foreclosure issues or purchasing their first home. Seventy-one percent maintained their homeownership without foreclosure.

423 were children under 18 years old who now have a place to live.  
90% of seniors assisted improved their ability to meet their daily needs and maintain housing.

The foundation of a thriving community is characterized by the care and compassion we provide to those in need.
