ABOUT ACCESS

ACCESS provides food, shelter, warmth and other essential services to low income children, families, seniors and people with disabilities in Jackson County.

As the Community Action Agency of Jackson County, ACCESS has been helping residents break the cycle of poverty since 1976. With a focus on education, ACCESS helps people through economic crisis by guiding them through changes in habits to help them become self-sustaining.

ACCESS currently serves local residents through 15 programs designed to address problems from one-time emergencies to longer-term issues.
