# A Letter from Pamela Norr

*Dear Community,*

*In August, I will pass the leadership of the amazing team at ACCESS to its next executive. It has been an incredible journey over the last four years. It is rare to find an organization so committed to the mission of supporting the neighbors in need in our community and a team of professionals so dedicated to making a difference each-and-every day. I am glad Community Action Agencies like ACCESS are here and able to partner with organizations throughout Jackson County to serve the most vulnerable populations.*

*We have accomplished great things over the past few years, including tripling the size of the warehouse to increase capacity to feed the community; helping raise awareness of homelessness through the “So Close to Homeless” video series in partnership with KOB15, for which we won an Emmy; increasing partnership and support in our community with collaborating organizations; and internally making significant progress to represent who we are and tell the story of those we serve. Most importantly, though, each year we served over 60,000 neighbors and moved nearly 6 million pounds of food to feed the community.*

*The generosity of this community, through donations of both food and money, make the work of ACCESS possible – and as a nonprofit, we could not do the work without this community’s unwavering support. The leadership of the organization, starting with the volunteer board of directors who give so much, to the team members who are all superheroes and lead by example and generosity of spirit, have worked so hard to continue to be there for the community, especially over the past several difficult months. The team at ACCESS, which is so committed to supporting our neighbors and each other, will always hold the most special place in my heart. We have worked hard together, and I am honored to know you.*

*I am extremely grateful to have been entrusted with the honor of leading this amazing organization. It has been an opportunity that I will cherish forever. I know the next leader of ACCESS will do their part in the lineage of the organization and will lead the organization to the next level to support Jackson County.*

*In deep gratitude,*

*Pamela Norr*

# FOOD WARMTH SHELTER

## Stronger Together

For the past 44 years and throughout the COVID-19 crisis, ACCESS has provided essential food, warmth and shelter to those most in need. Even before the pandemic, ACCESS served 1 in 4 Jackson County residents. Over the past four months, with the rise in unemployment, we have seen an unprecedented increase in the need for emergency food, rental assistance and utility assistance.

At the same time, we have seen an outpouring of love and support from our community. Your generosity has helped carry us through these difficult times. You have enabled us to help tens of thousands of our most vulnerable friends and neighbors in just the past few months. We are grateful to you for your support and we are so fortunate to be a part of this community. The kindness and compassion demonstrated by so many of you has been a source of inspiration and hope for us that we can get through this - together.

## We are Here to Help

Imagine being a working single mom struggling to make ends meet, only to find out you have lost your job. Your cupboards are empty and your children are hungry. Your rent and bills are late. You've never needed help before and don't know where to turn. This is the reality for thousands of people right here in our community. If you know someone who needs help or if you need help yourself, ACCESS is here. Please contact us at 541-779-6691 or [www.accesshelps.org](http://www.accesshelps.org).

In fact, 94% of all donations go directly to serving our clients and the community.
