Position Summary
The Community Support Specialist - SSVF works directly with Veterans and their families in applying to receive services through ACCESS with short-term and long-term solutions. This position works collaboratively with a multi-disciplinary team that assists participants in navigating through complex resources and processes to obtain/sustain housing. A Community Support Specialist works to engage the participant in the spheres of being independent by working through barriers that may keep them from achieving their own definition of self-sufficiency. This position requires frequent travel between, office, participants homes, and outreach activities.

Position Duties & Responsibilities
- Interview, screen, and determine participant eligibility with Lead Community Support Specialist and/or Program Supervisor.
- Maintain a minimum caseload of Veteran families and individuals as determined by ACCESS procedures.
- Assist the participant in setting short-term and long-term goals to obtain a greater level of sustainability following the program and funding stream processes and procedures.
- Provide support through positive social interaction with participants in a one-on-one setting in order to build mutual trust and build positive relationships.
- Monitor participants progress and keep track of their status using prevention techniques to avoid falling back into homelessness.
  Ensure that participant files are well maintained, and data entry is completed accurately and in a timely manner.

Position Requirements
- Belief in ACCESS’ mission to help people help themselves.
- Minimum 1 years of case management experience or similar experience involving working closely with participants and determining eligibility.
- Valid Oregon driver’s license with record that is acceptable under ACCESS’ insurance policies.
