Benefits Offered:	Health, Dental, RX, Vision, FSA, Vacation, Sick, Holidays, 403B Plan

Position Summary

The Housing Stabilization Case Manager-Oregon Housing and Community Services (OHCS) works directly with participants to assist them in navigating through resources and processes (rental application and requirements, etc.) to obtain/sustain housing. The purpose of this position is to assist families and individuals applying to receive services through ACCESS with short term and long-term solutions. The Housing Stabilization Case Manager -OHCS works to engage the participant in the spheres of being independent, working through those barriers that may keep them from achieving their own definition of self-sufficiency. This includes, but is not limited to, emergency assistance and using a holistic approach in long-term, in-depth case management. This position will work within an office environment, although some travel may be required to participants' homes or other facilities.

Position Duties & Responsibilities

- Maintain a minimum caseload of families and/or individuals as determined by ACCESS procedures.
- Interview and screen, work with the Program Supervisor to determine participant eligibility for Federal and State Assistance programs.
- Provide support through positive social interactions with participants in one-on-one settings in order to build mutual trust and build positive relationships. Serve as an advocate for participants and their families to help meet their housing goals. Remain connected to participants after exiting the program to offer additional support as needed.
- Ensure that participant files are maintained, and data entry is completed in an accurate and timely manner, utilizing internal and grant funding databases and filing systems, in accordance with the program's criteria and process. Take appropriate action to deal with any homeless emergency. With clinical social worker assistance, may provide crisis intervention and emotional support through times of emergency.
- Accuracy and attention to detail within all aspects of working with the participant.
- Monitor participants' progress and keep track of their status using prevention techniques to avoid falling back into homelessness.
- Assist the participant in setting short term & long-term goals.
- Refer participants to other ACCESS programs and external resources as appropriate.
- Take appropriate action to deal with any homeless emergency with clinical social worker assistance. May prevent crisis intervention and emotional support through times of emergency.
